INTERVIEW SUMMARY/MISC LETTER

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

Applicant's attorney wish to thank the Examiner for the telephone conversation of May 11, 2007 wherein the Applicant's attorney and the Examiner discussed the possibility of the Examiner considering --for the record-- the four previously discussed reissue application pending to the Steinfeldt-Jensen patent. The Examiner indicated that the Applicant should submit a 1449 form listing the reissues by serial number and that he would then officially consider the substance of the reissues.

Applicant's attorney notes that the examiner initialed the substitute 1449 form and Applicant's attorney deeply appreciates the professional and expedition manner in which the Examiner attended to this.

Additionally, in review the file history on PAIR, Applicant's attorney noticed that some photographs previously submitted following an interview were not legible. In order to attempt to clarify the record, Applicant's attorney will submit herewith via EFS a copy of the April 9, 2007 letter containing the photographs.

In the event any extra fees are due, please charge these fees to Novo Nordisk Inc.
Deposit Account No. 14-1447.

Respectfully submitted,

Date: June 5, 2007
